EUROPEAN JAZZ MASTER

Contemporary jazz performers must possess innovative skills in order to stay at the forefront of development in music, culture and business.

EUJAM will educate a new generation of strong contemporary jazz performers by supporting a student driven curriculum.

EUJAM students will get the possibility to investigate European jazz in its broad artistic, cultural and entrepreneurial scope.

EUJAM students will design and perform artistic projects in collaboration with professional performers, organisations and business enterprises.

EUJAM students will be given the opportunity to develop a strong international professional network.

EUJAM will provide students with a broad range of professional qualifications:

- ✓ Artistic and instrumental excellence
- ✓ Composition, arranging and performance skills
- ✓ Leadership skills
- ✓ Project and enterprise management skills
- ✓ Cultural and communicative skills
